First Addition: June 24, 1900

## INTRODUCTION

The Ginder Cemetery is located North and East of the Mount Pleasant Church at the Northeast Quadrant of the intersection of DeKalb County Roads 40 and 59. It is also known as the "Mount Pleasant Cemetery" or "Sawdust Cemetery."

Recently, the Mount Pleasant Church decided to build an addition to the East of the church. In this context, I was asked to review the property lines of the cemetery. The plat is recorded at DeKalb County Plat Book 3, Page 137. It includes the original plat dated February 22, 1882, and the First Addition dated June 24, 1906.

Wilmington Township Trustee, Frank Johnson, found the original record book among township records. He has permitted me to copy it for historical purposes.

I have copied the original book plus other sheets that were loose in the book. The list of tombstone inscriptions contains handwritten notes which connect the burials with lot numbers.

On March 27, 1909, the cemetery was transferred to Wilmington Township. An additional strip of land was added to the east side of the cemetery.

It has been ascertained via conversations with John Reinhart and Theron Imhoff that the burials on lots 1, 2, 3, 4, 37, 38, 39, and 40 were moved in the 1950's and that there are presently no burials on these lots.

In 2001-2002 new surveys were done by Michael Kline and certain discrepancies were discovered. As a result, an agreement was entered into between Wilmington Township and the Church and deeds exchanged to remedy these problems and to give the church the space which they needed for their addition. This agreement is recorded at DeKalb County Miscellaneous Record X13, Page 508 and the deeds were recorded shortly thereafter at DeKalb County Deed Record 235, Page 359.

The original records have been returned to the Wilmington Township's Office.

THIS AGREEMENT made and entered into this 14<sup>th</sup> day of May, 2002, by and between WILMINGTON CIVIL TOWNSHIP, DeKalb County, Indiana, hereinafter referred to as Township, and MOUNT PLEASANT CHURCH, located at the northeast quadrant of DeKalb County Roads 40 and 59, hereinafter referred to as Church, WITNESSETH:

WHEREAS, Township owns the Mount Pleasant Cemetery contiguous to the

Mount Pleasant Church,

WHEREAS, certain discrepancies have been discovered in connection with real estate descriptions of property owned by Township and Church,

WHEREAS, Township may have inadvertently permitted burials to overlap onto real estate owned by Church,

WHEREAS, Church desires to build an addition on the east side of its building that would extend onto land presently owned by Township and originally platted as a part of said cemetery, and

WHEREAS, Township and Church desire to enter into this Agreement to correct legal descriptions and to permit church to extend its building.

NOW, THEREFORE, Township and Church agree as follows:

Solely for purpose of recording,  
not to transfer title of ownership

*Sharon G. Hayes /um 7/102*  
Auditor DeKalb County

- (1) That Tract A, depicted upon Exhibit A, attached hereto and made a part hereof, shall be conveyed by Township to Church subject to the following restrictions:
  - (a) The only improvements which may be made above ground on said Tract A are a canopy, paving, landscaping, and lighting.
  - (b) No septic tank nor similar installation shall be made on said tract, however, underground utility lines, including but not limited to sewer lines, electrical lines, and water lines, and appurtenances thereto, shall be permitted.

Church has the right, but not the obligation, to maintain said area for a driveway and for parking and to resurface the driveway with surfaces including, but not limited to, gravel, asphalt, and cement.
  - (b) Underground. No septic tank nor similar installation shall be made on said tract.
  - (c) Township Restrictions. Township shall not permit burials on said tract and shall not erect a fence nor other obstruction which would limit the use of said easement by Church, but may erect a fence along the boundaries of the cemetery, as established herein..
- (3) That Tract C, depicted upon Exhibit C, attached hereto and made a part hereof, shall be conveyed by Church to Township.
- (4) That Tract D, depicted upon Exhibit D, attached hereto and made a part hereof, shall be conveyed by Township to Church.

- (6) That said Tracts A and B were platted as a part of Mount Pleasant Cemetery. It has been established to the satisfaction of Township and Church that any burials previously located on said Tracts A and B

were moved sometime in the 1950s to other parts of the cemetery but, however, if there is ever any claim or litigation in connection with said former burials, Church shall indemnify, defend, and hold Township harmless from such claim or litigation as to Tract A and Township shall indemnify, defend, and hold Church harmless from such claim or litigation as to Tract B.

- (7) That survey expenses and legal expenses have been incurred in connection with the matters set forth above and that Township and Church shall each pay one-half of the survey expenses of Michael C. Kline Associates, Inc. and John Martin Smith & Thompson Smith, P.C., and that each shall bill separately for one-half (1/2) of their services which are incurred prior to the 14<sup>th</sup> day of May, 2002.
- (8) That Township and Church each represent to each other that they have followed all necessary steps to authorize the persons whose names are set forth below to sign this document for and on their behalf.
- (9) That in the event any dispute arises in connection with this Agreement, that venue shall be the DeKalb Circuit Court.
- (10) That this Agreement shall be binding upon the parties hereto and their respective successors.

ten days, both of whom are buried in the cemetery on the Old Kraft Farm. The third child, a son, George W., was born 9 March 1859 and died in his twentieth year on 15 December 1878 as a result of a slight cut on his knee. He is buried in Mt. Pleasant Cemetery and his inscription is on his parents' tombstone.

Jacob Ginder, in addition to farming and operating a saw mill for four years, also later for another four year period ran a threshing machine and clover hauler. He was always an active man in the affairs of his community.

In 1854 religious meetings of that community were of the United Brethren faith and were held in the home of Abraham Eakright who lived west of the Ginders and in section 20. Rev. Benton and his wife, both preachers, lead the meetings. In 1861 the services were moved into a log school house in section 19. Jacob and Margaret Ginder worshipped with this group. In early youth Margaret had united with the Presbyterian Church but later transferred to the United Brethren Church. They were staunch christians and brought up their children 'in the fear of the Lord'.

On the fifth day of June 1871, Jacob and Margaret Ginder sold a parcel of land for a church. The deed reads as follows: (Vol. V, p.539)

"By this deed Jacob Ginder and Margaret Ginder of DeKalb County in the State of Indiana Convey and warrant to Henry Gunsenouser, Abraham Eackright and Frederick Ginder, Trustees of the "Mount Pleasant Church" an organization under the regulations of the Church of the United Brethren in Christ and to their successors in office, in trust, as the property of said Church of the United Brethren in Christ of DeKalb County in the State of Indiana for the sum of one dollar and the condition following the description of the premises hereinafter set forth, the following Real Estate situate in DeKalb County in the state of Indiana and described as follows to wit

"A part of the South west quarter of Section twenty two (22) in Township thirty four (34) north of Range fourteen (14) East, bounded by a line commencing at the South west corner of said section and running thence north ten rods thence East Eight rods, thence South ten rods thence west to the place of beginning. This conveyance being on the condition that when the said premises ceases to be used for church purposes the same shall revert to the said Grantors.

"In witness whereof the said Jacob Ginder and Margaret Ginder have herewith set their hands and seals this fifth day of June A D 1871  
(signed) Jacob Ginder  
Margaret Ginder"

"Before me the Subscriber a Notary Public in and for said County this 5' day of June 1871 personally appeared Jacob Ginder and Margaret Ginder and acknowledged the execution of the above Deed. Witness my hand and Notarial Seal this 5 day of June 1871.

James E. Rose, Notary Public"

"This certifies that the deed of which the above and foregoing is a true copy was duly stamped as provided by act of Congress and Recorded this Nov. 2" 1871 at 11 $\frac{1}{2}$  AM.

D. Z. Hoffman, Recorder"

Philip Ginder and Abraham Eakright went out to solicit money for the new church and in one day secured a sufficient amount for the building, which when erected was a frame building thirty feet by forty feet.

This church has served continuously as a place of worship for more than a hundred years, having been remodeled in 1889, then in 1917 it was rebuilt and brick veneered, class rooms added, raised to make a basement, a furnace and new seats installed. Over the years the building had been kept in good condition and improvements made. Then in 1958-59 it was enlarged and further modernized. Many members of the Ginder family have been and are communicants of this fine rural church.

Mount pleasant Church was originally a Church of the United Brethren in Christ, then with the denominational merging it became the Evangelical-United Brethren in 1947 and finally with the merger of the Evangelical-United Brethren denomination and the Methodist, the church became United Methodist. In this discussion the church will simply be referred to as Mt. Pleasant Church.

In the late fall of 1861 a new barn was being constructed on the Jacob Ginder farm. Four of the young men working on the barn stopped work and went into town to enlist in the Union Army. One of those young men was Frederick, son of Jacob Ginder. In later years the barn was raised and a concrete wall placed under it. It is still standing (1976) but not in good condition due to neglect by later owners and tenants.

Dear Mrs. Pruitt:

I have recently inquired about cemetery lots at Mount Pleasant cemetery and have found that I could purchase from Mrs. Marcelle Fought three grave sites located in the Second Edition, Lot #31.

As you can see from the accompanying copy of the original document, signed by Mrs. Fought, she has agreed to sell these sites.

Please make the appropriate notations in your records and if there is anything else I need to do to make this official please let me know. We believe that we may be needing one of these grave sites in the very near future. Therefore, please take the appropriate action soon.

I will be expecting a confirmation of this transaction soon.

Sincerely,

*Bill Farmer*
